SOME FACTS ABOUT SUMMER SESSION 2019

Wide Selection of Courses and Learning Opportunities: SUNY Potsdam summer session boasts 140+ undergraduate and graduate courses throughout six different sessions, ranging from 3 to 12 weeks in length. Students can complete coursework within the traditional classroom, via video conferencing technology, or fully online, depending on the options available.

Others choose to utilize the summer months as a means to complete credit-bearing internships, study abroad experiences, tutorials, practicums and/or independent study opportunities 1:1 with SUNY Potsdam faculty.

Accessible to All: We offer courses on Potsdam campus, at Jefferson Community College in Watertown, NY, and also online. We welcome and encourage matriculated and non-matriculated (visiting) students to take advantage of all we have to offer here in the North Country during this beautiful time of year.

About SUNY Potsdam: Founded in 1816 as the St. Lawrence Academy, the institution known today as The State University of New York at Potsdam is one of America's first 50 colleges. SUNY Potsdam is also the oldest institution in the SUNY system. From our humble beginnings in a one-room schoolhouse, the College has grown to become a leader in creativity, applied learning and educational excellence.

APPLIED LEARNING OPPORTUNITIES

Internships

SUNY Potsdam's Internship Program is an academic program whereby students work/intern at companies related to their academic majors. Student interns can receive 1-12 hours of credit towards their degree requirements. Internships can be paid or unpaid. Check out the website to apply for one of the many scholarships that are available to qualified students!

For more information about summer internships, go to: www.potsdam.edu/eo.

Study Abroad

Students pursuing a study abroad experience can earn between 3-12 credit hours towards their degree requirements. Students eligible for financial aid may be able to apply for a study abroad experience of at least six credit hours.

For more information, go to: www.potsdam.edu/academics/international and click on the "Study Abroad" link.

'See Instructor' Note

When the days and times a course meets are listed as 'See Instructor,' this indicates the nature of the particular course being listed is scheduled on an individual basis. Examples of this type of course include tutorials, practicums, and independent studies.

REGISTRATION & ENROLLMENT INFORMATION

Matriculated Undergraduate and Graduate Students

Web registration begins on March 11, 2019. Specific registration dates and instructions are available on the www.potsdam.edu/summer website. Matriculated students register for summer courses within BearPAWS, the same way they do for coursework offered during fall and spring semesters.

Non-Matriculated/Non-Degree Enrollment

You do not have to be a SUNY Potsdam student to enroll in a course during summer. Apply to be a non-matriculated (visiting) student now, and be sure to indicate the course(s) you wish to enroll in during the application process: www.potsdam.edu/nondegree.

Please contact the Division of Graduate and Continuing Education by calling (315) 267-2165 if you have any questions.

COST TO ATTEND

Affordable Tuition Rates

\$286 per undergraduate credit and \$462 per graduate credit for New York state residents. Additional student fees may apply and can be viewed at www.potsdam.edu/admissions/tuition. Tuition and fee charges are subject to change by the SUNY Board of Trustees.

Financial Aid

Available for qualified part-time and full-time SUNY Potsdam students. To secure summer financial aid, students must submit a separate aid application in addition to the FAFSA (<https://studentaid.ed.gov/sa/fafsa>). Applications are reviewed both by the date an application is received in the Financial Aid Office, and by the date one begins enrollment. Please allow a minimum of two weeks to process your application. Be sure to review important Summer Aid Information regarding eligibility for specific funds, and the impact to your fall and/or spring aid if you use these funds in the summer.

Visit www.potsdam.edu/financialaid for more information or to complete an application for summer aid.

Meal Options

There are no meal plans/packages available for students for summer session. Students may purchase food at open venues on campus using credit, debit or cash.

On-Campus Housing

Convenient and affordable housing options are available on the Potsdam campus. To apply for on-campus housing in the summer visit www.potsdam.edu/studentlife/housing.

BILLING INFORMATION

Students who register for Summer Session will be charged tuition and fees (i.e. College Fee, Health Fee, Transcript Fee, etc.), prorated based upon total number of credits registered. Billing statements for Summer Session will be available in your BearPAWS account – paper bills will not be mailed. No deferments will be available.

Payments should be made online through your BearPAWS eBill link to our CASHNet ePayment portal. We accept Mastercard, Visa, Discover, American Express and ACH payments. Students who register for coursework during the open registration period (March 11th – May 22nd) must submit payment by June 12th. Students with prior semester balances over \$500 will forego Summer Session eligibility until their accounts have been reconciled.

A bill is considered unpaid at the close of business on June 12th, and the student may have registration cancelled at that time, with the exception of students who have pending financial aid application requests in process. Students who wish to register after May 23rd must pay in full at the Student Accounts Office, 412 Raymond Hall, prior to being registered. Cost of attendance per credit hours for 2018-2019 can be found by visiting the College's tuition and fees page. Please contact Student Accounts Office via email at student-accounts@potdam.edu, or via phone at (315) 267-2137 if you have questions.

ADD/DROP/WITHDRAW DEADLINES & LIABILITY INFORMATION
